HEADS PONTIAC LINE... Heading the four series of top styled cars for 1958 are the five passenger Bonneville sport coupe (above) and the Bonneville convertible. These two family size "dream cars" mark what the Pontiac Motor Division calls "the boldest advance in 50 years." The

new Pontiacs are on display this week end at Bob Beaver Pontiac, 931 Pacific Coast Hwy., Hermosa Beach. Beaver, who acquired the dealership recently, is a former UCLA football player.

Auditions for Show Slated This Sunday

Auditions for the South Bay-Torrance Civic Symphony production of "The Nutcracker Prince" will be held Sunday at 3 p.m. in St. Cross Parish Hall, 1618 Monterey Blvd., Hermosa Beach.

Judges will pick two persons for the leading roles in the Christmas pantomime. Judges will be Mme. Becca De-

Man Frightens Away Intruder in Gardena

A Torrance man was credited with frightening away an intruder and preventing a possible burglary at the Missile-Air Co., Gardena, Tuesday.

Charles Ingals, 1628 W. 226th St., who was employed next door to the Missile-Air Co., noticed a man lurking nearby and heard glass break.

He turned the flashlight on the man, who fled. Sheriff's deputies found a broken window, but nothing missing.

Fire Captain West to Head Muscular Dystrophy Drive

Walter W. West, captain of the Torrance Fire Department, has been appointed by the Fire Fighters Local 1138 as campaign chairman to head their 1957 March for Muscular Dystrophy, it was announced today by Fire Chief J. J. Bonner.

Just as they did so successfully in 1954, the Torrance Firemen will again volunteer their off duty time to the March. They will do a house-to-house canvass the week of Dec. 2-7, as the principal phase

of the fund drive. Captain West will direct the appeal in Torrance for funds to support research into the crippling, fatal disease, and to maintain and expand the network of clinics and patient services provided through MDA.

Muscular dystrophy is a crippling disease which progressively attacks the muscles and eventually renders the victim completely helpless. There are more than 200,000 victims, most of them children in whom the disease is always fatal. There is no known cause or cure as yet.

Accepting the chairmanship, Captain West said, "The only way to wipe out muscular dystrophy is through medical research, but it requires a tremendous amount of money and we need all the help we can get. I urge all public spirited citizens to generously support the firemen in their March for the 1957 Muscular Dystrophy Fund Drive."

Carson Group To Discuss New Freeway

Carson Civic Betterment Association will hold its monthly meeting at the White Junior High School, 220th and Figueroa, Tuesday, Nov. 12, 1957, at 7:30 p.m.

A few minutes of entertainment will be provided by students Ray Palmer, James Housley, and James Mitchell of the Junior High School. Mr. Cochran, teacher, will be in charge of the entertainment.

County Supervisor Burton W. Chace has announced he has taken the first step toward acquiring a neighborhood park adjoining the Carson St. Elementary School. E. J. Benda, chairman of the park committee, will report on plans for development of the park.

Elections Slated
At the meeting there will be nomination of officers for 1958. Elections will be held at the December meeting. Members will be asked to state what they think the organization should sponsor next year.

About 15 people will attend a conference at the White Junior High School this morning to discuss plans for construction of the Harbor Freeway through the Carson district. In attendance will be Sam Kennedy, county road commissioner, and several members of his staff; Albert Cartwright, school principal, and Mrs. H. E. St. Clair, president of White Junior High School Parent-Teacher Assn.

Also L. O. Griffiths, president Harbor District Chambers of Commerce; John Calas, president Carson Chamber of Commerce, and several other members of the Carson Civic Betterment Assn.

The conference was arranged by J. Rome Gateley, president of association, with the help of Assemblyman Vincent Thomas and Supervisor Burton W. Chace.

GASOLINE TAXES
State gasoline taxes in the U. S. range from 3 cents to a high of 7 cents.
